Trustee District 11: Doug R- Asked To Have These Items Added In The Central Office By-Laws:

Motion#1: Add to the web servant Chair responsibilities to provide the current credentials for accessing the website and meetings database in writing and have it kept in a secure location within SL Central Office.

Justification: to ensure the accessibility of support for the website in case the chair is not available. "VOTED On And Approved"

Motion#2: Add to the hotline Chair responsibilities to provide the current credentials for accessing the phone system portal in writing and have it kept in a secure location within SL Central Office.

Financial impact: zero

Justification: to ensure the accessibility of support for the phone system in case the chair is not available. "VOTED On And Approved"

Motion #3: Add the following to the general responsibilities of the committee chairs. "Due to the critical and time consuming nature of the technical chairs; Tech Committee, website and the hotline committees the chair of each of those committees should not hold any other committee chair in the same rotation."

Financial impact: zero

Justification: it's an unreasonable burden for one person to take on more than one area of responsibility of critical systems for the function of SL Central Office's operations.

"VOTED On And Approved"
